

*Leave their name in stone...*

**T**he APOA's "Forever Honor" engraved brick program recognizes our law enforcement sisters and brothers, living and deceased. This is a perfect way to memorialize and honor a member or a loved one for service and sacrifice.

The APOA wants to help you create permanent recognition to honor each law enforcement officer who has contributed to keeping citizens safe and preserving freedoms. These bricks will be prominently featured at the APOA's home office in Montgomery.
